

JCCC YOUTH DIRECTOR JOB DESCRIPTION

2/1/2018

Johns Creek Christian Church is a Christ-centered community of faith that seeks to engage the larger community. We embrace diversity and inclusiveness by reaching out in love to all we meet. Our community is joined together by the Holy Spirit as we worship, pray, study and serve together. We share and study the Bible as a source of truth and inspiration which points to God's continuing work and presence in the world. Our worship is a joyful time where our relationship with God and others is celebrated. It is Christ centered, Bible based and draws on the rich gifts of music, art, drama, culture and diversity. It is an intergenerational experience and practice weekly communion led by church members and open to all believers. We envision prayer to be the primary way we commune with God. When we are in prayer we are in the sacred presence of God. We pray individually and corporately. We pray for each other, with each other, for others and for our larger community. We pray because we believe that God answers our prayers and because God transforms us in and through prayer.
