

To help keep Camp Christian as safe and beautiful as possible, and also to ensure that no family is denied the opportunity to send their kids to Camp Christian, we are introducing a tiered fee system for camp registration. We are hopeful that families will choose a camp fee that is the best for them. This will enable us to continue to pay all of the expenses of running camp without raising prices beyond what some families are comfortable paying. Thank you for your prayerful consideration of how your family can best help Camp Christian this summer.
