

SUMMER CAMP 2024

"LINKED BY LOVE"

All Campers arrive at 10:30am the first day of camp and depart at 10:30am on the last day (Unless otherwise noted). All registered will receive a letter from the directors and a "What to Bring" list 2-3 weeks prior to the session. Cell Phones & other devices should be left at home.

All Camps have Recreational opportunities including swimming, lake activities, volleyball, horseshoes, basketball, ping pong and many other games from the Recreational Room. All Camps except for Chrysalis, Genesis and Oasis are in rustic cabins.

Meals are planned with a variety of choices. An afternoon canteen (soft drinks, candy) is provided to each in attendance. After dinner there is a Nighttime snack.

Directors will be in contact with CITS to keep them up to date.

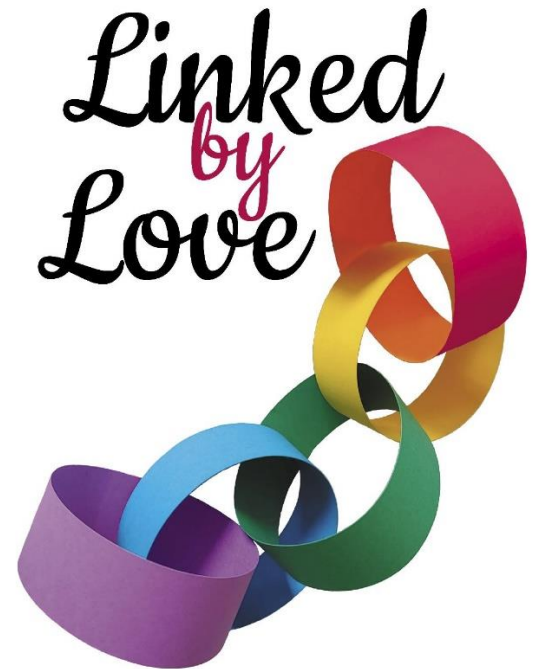

Many previous campers and counselors have lifelong friends they met at camp. We have several couples who married after meeting each other at camp.

To help keep Camp Christian as safe and beautiful as possible, and also to ensure that no family is denied the opportunity to send their kids to Camp Christian, we are introducing a tiered fee system for camp registration. We are hopeful that families will choose a camp fee that is the best for them. This will enable us to continue to pay all of the expenses of running the camp without raising prices beyond what some families are comfortable paying. Thank you for your prayerful consideration of how your family can best help Camp Christian this summer.
